

Our Team

HOLLY DE JONG

Holly has been working in the industry since 2007 and is a registered architect in New South Wales, she returned to Mayoh Architects as a project leader, passionate and enthusiastic about further tailoring her architectural proficiency in education projects.

Her involvement ranges from feasibility studies, early concept design, council applications, tender and construction documentation and contract administration. She has exceptional management and organisation skills, an ability to listen and extract information from clients and consultants, and has an eye for detail.
